## CR Track Days

- **Track Day Sessions**

On Tuesday 5 January (8 hours), Wednesday 6 January (8 hours) and Thursday 7 January (8 hours) you have the possibility to book the CR Track Day Sessions. Bookings can be made via the pre-reg form or 24hseries@creventic.com. **Deadline: 18 December 2026**

- **Track Day – Official Sessions Information**

All race systems (e.g. Lumirank and DID) will be operational from FP onwards. For any questions during the Track Days, please contact Creventic. Once administrative checks are open, race direction will also be available.

- **Instructor Test Sessions**

Test sessions with an instructor are permitted, provided the instructor wears fully homologated protective gear and holds a valid racing license. All instructors must sign a waiver and present their license at the Welcome Center before participating.

- **Passengers**

Passengers are also permitted during test sessions. All passengers must sign a waiver and collect a wristband at the Welcome Center prior to entering the track. Passengers are also required to wear fire-resistant clothing and a helmet at all times while on track.

- **Driver License Requirement**

**All drivers must hold a valid racing license or driving license. Without one of these, participation is not permitted.**

Drivers with an alternative license (e.g. karting or test license) may request approval via 24hseries@creventic.com. Participation is only allowed after written approval. Requests can be submitted up to a maximum of 7 days prior to the event.

- **Track Day Administration**

**All drivers must sign a liability waiver from Creventic before entering the track. This can be done at the Welcome Center or via the CREVENTIC app.**

Each driver must provide a valid license as stated above, either uploaded in the app or shown at the Welcome Center. Once approved, drivers will receive a bracelet, which will be checked by marshals at the end of the pit lane.

## Event Information

- **Team Registration**

Upon arrival at the circuit, please visit the Welcome Center to collect your event service bag. All teams will receive 15 team passes and 1 team manager pass per entry. It is possible to purchase additional paddock passes at the Creventic Welcome Centre for €10 per pass or 15 passes for €120.

- **Team Manager Lanyard**

All team managers must wear a team manager lanyard throughout the event. This lanyard will be given out by Creventic together with the service bag.

- **Refuelling**

Fuel is included in the entry fee. If a track day is booked separately, fuel is also included in the track day price. The fuel pumps are positioned on the left-hand side of the car.

- **Administrative Check Drivers**

**All drivers must complete the event sign-on in advance through the CREVENTIC app.**

The administrative check starts before the event, so the earlier a driver submits their information digitally, the sooner required documents, such as waivers and licenses, can be reviewed by our secretary
