Car: Ginetta G55 GT4

Seats available in:

24H TCE SERIES – 24H MISANO – 24H BARCELONA – 12H SPA

We are looking for drives to race with us in this season of the Main 24H Series and the 24H TCE Series.

We are currently leading the SP3 GT4 class in the TCE series after two fantastic results; coming 2Nd in class at Silverstone and 1St in class, 3rd overall at Magny Cours.

In the past years, we've had an excellent showing in this series. Our team has won multiple places in the main 24H Series, the 24H TCE Series and also the Proto 24H series.

We carry a full Ginetta spares package to all our events, allowing us to continue the race; no matter what the circumstances. Our G55 is a dedicated endurance car, boasting full endurance specification; unique to this car.
