

We've had a fantastic start to the 24H SERIES in Dubai, coming **2nd in class in all three PROTO races**; as well as an impressive performance in the main race. Also we've had great success in previous 24H events, coming **2nd in class in both the 24H BARCELONA 2015 & the 24H DUBAI 2016**.

We carry a full Ginetta spares package to all our events, allowing us to continue the race; no matter the circumstances. Our G55 is a dedicated endurance car, boasting full endurance specification; unique to this car.

As a team CWS have spent the last 9 years racing with Ginetta, competing in the CREVENTIC SERIES, Supercup and VdeV. Our team owner and driver Colin White has 40 years experience racing in multiple disciplines at the highest level of motorsport and more recently has claimed numerous titles in the Ginetta Supercup
