

CWS RACING

Team looking for drivers

Cars: Ginetta G55 GT4 and Ginetta G57

Seats available in:

24H SERIES: Complete 24H SERIES 2017

24H TCE SERIES: Complete 24H TCE SERIES 2017

24H PROTO SERIES: Complete 24H PROTO SERIES 2017

We are looking for drivers to race with us in this season of the Main 24H Series, 24H TCE Series and the 24H Proto Series.

We've had a fantastic start to the 24H series in Dubai, coming 2nd in class in all three Proto races; as well as an impressive performance in the main race. We have also had great success in previous 24H events, coming 2ND in class in both the 2015 Barcelona 24H & the 2016 Dubai 24H.

We carry a full Ginetta spares package to all our events, allowing us to continue the race; no matter the circumstances. Our G55 is a dedicated endurance car, boasting full endurance specification; unique to this car.

As a team CWS have spent the last 9 years racing with Ginetta, competing in the Creventic Endurance Series, Supercup and VdeV. Our team owner and driver Colin White has 40 years experience racing in multiple disciplines at the highest level of motorsport and more recently has claimed numerous titles in the Ginetta Supercup.
