

Delahaye Racing Team has a Porsche Cayman Clubsport GT4 which is available for the 2017 season (TCES and 24H Series). The car is in excellent conditions and very easy to drive with all aids and no clutch pedal (PDK gearbox, TC, ABS, ESP, driver drink system, air cooling, well balanced car with central engine). Two sprint meetings in Spa-Francorchamps in 2016 without any issues.
