

*Team looking for driver*

Car: Mini Cooper JCW (A2)

'MacG Racing have drives available for the Hankook 24H Silverstone and 24H Barcelona 2017 in our race-winning Mini Cooper JCW R53 in the A2 class.

We are offering a full arrive and drive service in the MacG Racing Mini Cooper JCW which has been specifically built as an endurance specification car and has had 100% reliability and finish record since it has been owned by the team.

The car is prepared to a very high standard with a large selection of spares being available for the race, and the team are experienced in 24hr races and endurance events. More information on the car can be seen here: <http://www.macgracing.co.uk/mini.shtml>

Seats offered for:

Hankook 24H SILVERSTONE (31 March - 2 April)

Hankook 24H BARCELONA (1-3 September)
