

Drives available with Optimum Motorsport

Optimum Motorsport is looking for suitable funded drivers to race our R8 LMS GT3.

We also have spaces available for suitable funded drivers in our multiple 24hr race winning Ginetta G55 GT4 car.

Optimum motorsports is recognised as one of the world's top endurance teams, having notched up British GT titles and high profile endurance race victories.

Following its second successful Dubai 24H as the best Audi team, the team will enter the 2017 24H SERIES with its winning Audi R8 LMS GT3 and is looking for suitable funded drivers for the Hankook 12H Mugello and for the full season.

Parties interested please contact
