

Hello everyone,

The three cars are eligible in all the championships (except the TCES or only the V6 can ride).

24H SERIES:

FIA label in hand and title of world champion at the key, this series continues to be professionalised every year, this year we will go to the United States and thus visit a third continent.

- The Vortex participates definitely in all the championship with Lionel Amrouche and Cyril Calmon, it remains one or two riders available according to the durations of races. (12 or 24h)
- The GC 10 V8 should participate in a maximum of races as well.

24H TCE SERIES:

Championship which is the main part of the cars of tourism, our V6 is therefore eligible, 2 cars minimum are gold and already announced in Barcelona, cherry on the cake we return to Spa in October, it will recall good memories to any The team and our Belgian friends (the team was twice Belgian champion in the 2000s ...), but we will also be performing in France for a 12-hour race at Magny Cours, we would like to Hire 2 cars.

Do not hesitate to contact me for more info, a schedule of tests is being put in place.
