2. LOADING OPTIONS

To load your container, Creventic offers 3 different options:

1. Terminal delivery	2. Warehouse loading	3. Trucking to your workshop and vice versa
<p>You can arrange your own container delivery to the port. This option is only for teams with experience in container deliveries to the port. Requirements for this option are:</p> <ul style="list-style-type: none">• Valid cargo card for entering the port• Online pre sign-up through portbase <p><u>Price: FREE</u></p>	<p>Creventic will arrange a warehouse close to the port of Rotterdam. There will be loading docks where you are able to unload your truck and load the container.</p> <p><u>Price: € 400 per way</u></p>	<p>Creventic will bring a container to your workshop which can be grounded using a side loader, if necessary.</p> <p>Creventic will arrange all communications with the trucking company and your team. You can choose a preferred date and time for the loading of your container.</p> <p><u>Price: on request</u></p>
		

3. ADDITIONAL SERVICES

Transport insurance

Creventic highly recommends making use of our transport insurance for your car and/or equipment. The insurance fee is calculated as 0.6% of the value of the car and/or equipment + € 130 administration costs.

Air freight

Sending your car or equipment by air freight is possible and can be arranged by Creventic. Prices can be requested by sending an email to transport@creventic.com

The estimated day of departure is 10 days prior to the event.

1. SHIPPING ORDER FORM

To have your transport arranged by Creventic, we require you to first fill out the online shipping form. In this form you will fill out your information and transport requirements. After you have completed the form, we will contact you with a custom quotation based on your requirements.

[Click here to open the shipping order form](#)

2. TRANSPORT DOCUMENTS

Creventic will represent your team at customs.

Prior to shipping, you will have to complete the packing list, detailing the contents of your container:
