** The pandemic brought entire economies to their knees and also Sea freight rates have soared in 2021. In case outside proportional increases of prices sea freight surcharge can be applicable for 24H Sebring / 24H Dubai / 6H Abu Dhabi.

*** Due to the Covid-19 restrictions we were forced to change in 2021 the standard 3-shared pit box into 2-shared. With this change there will be more space in and behind the pit box. If the situation improves during the year, we might go back to 3-shared and the prices will change. That means that the packages for the GT division will become € 5.000 cheaper and for the TCE division € 2.500. If so, the standard price for 2-shared pit box will go back to € 7.500.
