

The Digital Notice Board for 24H SERIES events is available in the app called “Sportity”
To have access to our Digital Notice Board, you need to download this app.

You can download this app with the QR-Code or links below:

[Download for IOS](#)

[Download for Android](#)

Once downloaded, choose or Add new “Channel” and sign in with the password of the specific race shown below. (e.g. “DUBAI 2021” for the Hankook 24H DUBAI 2021).

We advise you to accept **Push-Notifications** on your mobile phone so that you are able to receive a notification when a new publication is uploaded.

Passwords of each specific race

- | | |

Alternative or additionally Sportity website

You can also have access to Digital notice board through a website. In this case you don't need to download the Sportity app. Please note that via the website you will not receive push-notifications.

Go to website:

"password"

For example:

<https://webapp.sportity.com/channel/DUBAI2021>
