Subject: Calendar and Championships

This promoter communication replaces promoter communication 01/2020.

24H SERIES EUROPE

Referring to the recent Calendar changes:

The specific races that count towards the 24H SERIES EUROPE titles will be:

- 24H PORTIMAO
- 12H MONZA
- 24H BARCELONA
- 12H IMOLA
- 12H ZANDVOORT

Clarification of art. 39.16.2.2

"39.16.2.2 24H SERIES EUROPE Scratch Results / Number of races that count towards the championship

For any ranking within the 24H SERIES EUROPE, there is one scratch result.

The scratch result is:

The race with the lowest number of points achieved OR a race that the team/driver has not participated in."

Interpretation:

There will be one scratch result for each ranking within 24H SERIES EUROPE, meaning (with above calendar):

- that the best **four** results from **five** rounds are taken into account for the championships

24H SERIES CONTINENTS

Referring to the recent Calendar changes:

The specific races that count towards the 24H SERIES CONTINENTS titles will be:

- **Hankook 24H DUBAI**
- **Hankook 12H ZANDVOORT**
- The best result (most scored points) of:
 - **Hankook 24H PORTIMAO** or
 - **Hankook 24H BARCELONA**

Please note:

According Series Bulletin 01/2020:

If a team or driver misses out any applicable continent, he or she is not eligible for the championship ranking.

With above CONTINENTS calendar this means, a team or driver must participate at least the following races:

- **Hankook 24H DUBAI**
- **Hankook 24H PORTIMAO** or **24H BARCELONA** or **12H ZANDVOORT**
