

CREVENTIC - Media Accreditation Terms & Conditions

Version: September 2026

These terms apply to each person accredited as media at a 24H SERIES or other CREVENTIC B.V. event. By submitting an application, you agree to these terms and to the event-specific instructions provided to you. Accreditation and access may differ by event and circuit.

Accreditation and insurance

Accreditation is personal and may only be used for the approved event and role. A pass or tabard must not be lent, shared or transferred. An application or previous accreditation does not guarantee approval.

Applicants must provide a letter of assignment identifying their outlet, agency or team, role, event and intended publication. CREVENTIC may request examples of published work or additional information and may refuse or withdraw accreditation.

Applicants must provide proof of valid professional liability insurance with coverage of at least €500,000. The policy must cover their activities at a motorsport event on a racing circuit. Additional circuit-specific insurance requirements may apply and will be communicated before the event.

Access and safety

A media pass does **not** grant pit-lane or service-road access.

Only enter areas authorised for your credential and follow all instructions from CREVENTIC, circuit staff, officials, marshals, security personnel and local authorities. Access may be changed or suspended at any time for safety or operational reasons.

Comply with event-specific dress and safety-equipment requirements. Carry your credential and proof of insurance so they can be shown when requested. Anyone receiving a tabard must personally sign the separate Media Responsibilities and Liability Waiver before the tabard is issued.

A refundable €20 deposit is payable on collection of a tabard and returned when the tabard is handed back in accordance with the collection instructions.

Media activities and facilities

A media pass does not grant pit-lane or service-road access. Pit-lane and service road access requires a tabard issued to you for that event. A tabard does not provide unrestricted access to the track, garages or other restricted areas.

Only enter areas authorised for your credential and follow all instructions from CREVENTIC, circuit staff, officials, marshals, security personnel and local authorities. Access may be changed or suspended at any time for safety or operational reasons.

A refundable €20 deposit is payable on collection of a tabard and returned when the tabard is handed back in accordance with the collection instructions.

Responsibility and enforcement

Motorsport activities involve risks. Each media representative must take reasonable care for their own safety and equipment and is responsible, to the extent permitted by applicable law, for loss or damage caused by their own acts or omissions. Nothing in these terms excludes liability that cannot lawfully be excluded.

CREVENTIC may refuse or withdraw access for a breach of these terms, unsafe conduct, misuse of credentials or failure to follow instructions. Serious or repeated breaches may be considered in future applications.
