MECHANICAL ENGINEERING EDUCATIONAL PROGRAM

During the Hankook 12H KUWAIT 2022, Kuwaiti students will be able to do a traineeship with teams participating in the event.

During this traineeship they will be:

- ▶ Working as a member of the race team
- ▶ Learning about techniques and structure of a high-level racing team
- ▶ Learning about strategy and engineering
- ▶ Seeing and experiencing the passion that comes with racing
- ▶ Contributing to the results of the team

In exchange for integrating these students, teaching and coaching them during the event, the team can receive up to **5 SETS OF RACE TYRES**. Due to limited availability, this deal will only be offered to the first 20 teams who apply for this traineeship program.

TRANSPORT INFORMATION

For over more than a decade, Creventic has been organizing overseas endurance races.

Together with our reliable Logistics Partners, we have built up a broad knowledge of sea, truck and air freight.

Creventic can offer you a variety of logistics options.

Shared container (50% of 40ft container)

Standard transport is only included in the entry fee in combination with the 24H DUBAI 2023.

If you only participate in Kuwait and/or Abu Dhabi, there will be additional costs of € 4.000

Exclusive container (100% of 40ft container)

Combi-event entry € 3.500
(Dubai + Kuwait and/or Abu Dhabi)

12H KUWAIT 2022: € 7.500

24H DUBAI 2023: € 3.500

6H ABU DHABI 2023: € 7.500

Air freight

Sending your car and/or equipment by air freight is possible and can be arranged by Creventic. Price can be requested by sending an email to transport@creventic.com

The estimated day of departure is 10 days prior to the event

Transport insurance

Creventic highly recommends making use of our transport insurance for your car and/or equipment.

The insurance fee is calculated as 0.6% of the value of the car and/or equipment + € 130 administration costs

Trucking to your workshop and vice versa

Creventic will bring a container to your workshop which can be grounded using a side loader, if necessary. We will arrange all communications with the trucking company and your team.
