Art. 29.4.3	<p>Refuelling during CODE-60 is allowed, however the following applies:</p> <ul style="list-style-type: none"> In case serving the refuelling operation starts during CODE-60, the 50% refuelling amount as per the official Balance of Performance Publication of the event applies (unless explicit otherwise described) In case the refuelling operation starts during a green flag, the 100% refuelling amount as per the official Balance of Performance Publication of the event applies (unless explicit otherwise described) <p>Both of these cases are depending on the time when serving the refuelling operation commences, independent of the moment, when a Car enters the pit lane.</p> <p>The start of a refuelling operation is determined as the moment when a pump has been activated. (with the applicable fuel TAG)</p> <p>Please also respect art. 21.3.3.6 (Chapter I of the Sporting & Technical Regulations)</p> <p>21.3.3.6 It is only allowed to refuel the maximum amount indicated in the Balance of Performance publication of the specific race at every refuelling procedure (within one pit stop).</p>
-------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

11. Track and conditions of practice/race

11.1 Maximum number of cars allowed to start

Race Name	During Race	During Practices
Hankook 12H KUWAIT	70	70

11.2 Lights

The lights on the car must be switched on when the sign "LIGHTS ON" is shown.

12. Entry: Closing Date and Acceptance

This event is open for drivers according to: see Sporting & Technical Regulations of the specific series.

The entry closes 15 November 2022. The promoter may accept entries after the entry closing date.

Acceptance of the entry will be sent no later than 22 November 2022. Under particular circumstances the forwarding of the acceptance may be postponed.

The fee required (see entry form and/or confirmation of participating) must be paid before the event (an entry not accompanied by the fee shall be null and void).

13. Collection of Documents/Administrative Control

See official time schedule

The competitor and the drivers, or their officially nominated representative must be present at the place and time indicated for the administrative/license-control and scrutineering.

The driver/competitor must sign the 'responsibility clause' (according to the General regulations concerning racing contests).

After the team has completed all administrative/license-control and scrutineering.

They will receive a so-called "FINAL APPROVED" sticker of the specific race.

Only this final sticker (as provided by the Secretary of the Event) indicates that the car/competitor is allowed to participate. Without this "FINAL APPROVED" sticker, the car may not participate in any practices, qualifying and the race.

14. Time schedule

See official time schedule

14.1 Practices, Qualifying and Night Practice

See Chapter I, art. 30 and art. 32 of the Sporting & Technical Regulations

14.2 Qualifying

See Chapter I, art. 32 of the Sporting & Technical Regulations

Refuelling

Is NOT allowed to refuel the car during any qualifying session.

The refuelling station will be open till the first qualifying session starts (cars already in the queue/waiting line at refuelling station are allowed to refuel the car).

Tyres

Different than mentioned in art. 22.2 of Chapter I of the Sporting & Technical regulations:

Tyre changes during the entire qualifying sessions (Q1, Q2 and Q3) are NOT permitted

Only flat or punctured tyres may be changed. Any tyre change during Qualifying due to aforementioned reasons must be announced to the Race Director. The replaced tyre must remain in the team's pit box for scrutineering. After approval from a scrutineer, the tyre can be removed from the pit box by the team.

It is allowed to change to wet tyres in case the Race Director declares a Qualifying session or parts thereof as "WET".

For the avoidance of doubt, it is also NOT allowed to remove any wheel from the Car during the entire qualifying sessions.

Qualifying sessions

The qualifying sessions may be divided per division and/or classes. See official time schedule.

See also art. 15 Start of these Supplementary Regulations.

Driver to start first qualifying session

Amendment of art.32.2.1:

32.2.1 Each qualifying session must be entered by a different driver of the competing vehicle. It is not permitted to participate with several drivers in one session. For Cars with only two drivers, one driver may join two of the three qualifying sessions.

Additional rule:

The driver of the first qualifying session MUST be an AM driver (so NO AM+ driver).

With the exception of the following teams:

- Team with full SEMI-PRO driver line up (any SEMI-PRO driver is allowed do the first Q-session).
- Team in class GT3-PRO/AM, with NO PRO driver (also an AM+ driver is allowed to do the first Q-session).

The drivers of Q-session 2 and Q-session 3 remain free.

15. Start

According Chapter I, art. 32 and 33 of the Sporting & Technical Regulations

15.1 Start grid position

According to the Sporting & Technical Regulations (Chapter I, art. 32.2.7).

The starting grid position (order) of each competing vehicle, within their respective starting grid group (see art. 32.1.1) will be determined as follows:

- QS 1: Fastest to slowest AQT
- Then QS 2: Fastest to slowest AQT
- Then QS 3: Fastest to slowest AQT
- Then QS 4: Order at discretion of the Race Director

With the following exception:

In case one or more qualifying sessions (e.g. due to force majeure) of some classes are cancelled, the Race Director has the right to amend the start grid position at his discretion.

Example: in case GT4 class had 3 qualifying sessions and GT3 had only 2 qualifying sessions; The Race Director can decide to determine the start grid position as follows:

For Class GT3: the AQT will be determined as follows:

- $AQT = (T1+T2) / 2$ (instead of $(T1+T2+T3) / 3$)

15.1 Start grid procedure

The Start grid will be divided in 2 groups.

- Group 1: all classes of GT
- Group 2: all classes of TCE

The start grid procedure will be explained in the team manager's briefing.

15.2 Starting procedure

Rolling start in ONE group.

The starting procedure will be explained in the team manager's briefing.

15.3 Start method

Starting type: Rolling start in ONE group

Starting Grid: In a 2x2 Formation

Pole Position: Right hand (rolling start Kuwait Motor Town circuit)

16. Cooling down lap (after the Finish flag)

After the finish flag there is one coolingdown lap.

See Chapter I, art. 36 of the Sporting & Technical Regulations

17. Protests

See Chapter I, art. 42 of the Sporting & Technical Regulations

18. Pit regulations

See Chapter I, art. 21 and 27.11 of the Sporting & Technical Regulations

See also art. 10.6 of these Supplementary Regulations

19. Driver's briefing & Team managers briefing

The **team managers** briefing will be in briefing room (physical). For date and time, see official time schedule.

The **drivers briefing** will be in briefing room (physical). For date and time, see official time schedule.

20. Scrutineering

20.1 General Scrutineering information

According to Chapter I, art. 15 of the Sporting & Technical Regulations:

If the car is deemed not to be in accordance with the regulations, the competitor may not compete in the practice/race. It is possible to have a second check.

If the car has been considered as according to the regulations on the points checked, the car will be signed off (TC-approved) on the team's control card and receive a "TC-APPROVED" sticker. See also art. 13 of these supplementary regulations regarding the required "FINAL APPROVED" sticker.

Static noise tests may be carried out at pre-event scrutineering or at any other time during the event to check compliance with the Technical regulations.
