 25-26-27 MARCH 2022

## EVENT INFORMATION

- **Split Race** Split 12-hour race with parc ferme (working on the car is not allowed)
- **New Qualifying structure**

Three drivers per car will be involved in the qualifying session and the average lap time will be used as the set qualifying time. The qualifying sessions are separated in 2 groups:  
Group 1 = TC, TCX, TCR & GT4 and Group 2 = 991, 992, GTX & GT3

*· Although GT4 runs in group 1; Pole position of TCE-Division remains the fastest TCE Car.*  
*· To see your preferred classes on the live-timing screen, this can be selected in the live timing via a dropdown menu*

As described in the Supplementary Regulations:  
**AM-Driver first qualifying session:** the first driver of the first qualifying session must be an AM driver. The driver of the 2<sup>nd</sup> and 3<sup>rd</sup> session remains free.

**Refuelling qualifying sessions:** it is NOT allowed to refuel the car during any qualifying sessions. The refuelling station will be open till the first qualifying session starts (cars already in the queue / waiting line at refuelling are allowed to refuel the car).

**Tyres:** for clarification: according to art. 22.2 of Chapter I of the Sporting & Technical Regulations, the number of tyres is not restricted.
- **Revised Pit Stop regulations**

From Mugello onwards, the following personnel is allowed during pit stops:

  - **For the GT-Division (change in no. of mechanics):**
    - 1x Lollypop man
    - 1x Window cleaner
    - 2x Driver Assist (green vest)
    - 4x Mechanic (yellow vest) – The maximum of 2 wheel guns remains unchanged
  - **For the TCE-Division (remains unchanged):**
    - 1x Lollypop man
    - 1x Window cleaner
    - 2x Driver Assist (green vest)
    - 2x Mechanic (yellow vest)
- **Class 992 extra podium for 992-AM**

Although, there will be one 992 class (992-PRO & 992-AM combined); additional to the 992 podium, there will also be a podium for 992-AM teams.
- **Track Day Sessions Wednesday**

On Wednesday 23 March, two Track Day Sessions take place of 4 hours each. These sessions are not included in any package and need to be booked separately.  
Price per session is € 2.250,- (excluding fuel)  
Price fuel per session: € 500,- (optional)

*· Driving on Hankook tyres from C&R Motorsport gives you € 125,- discount per session*  
*· Price 1 session (4 hours) includes 10 Wednesday lunch tickets*  
*· Price 2 sessions (8 hours) includes 10 Wednesday lunch & dinner tickets*

It is allowed to start in the Track Day sessions with an instructor as a passenger, given he/she is wearing fully homologated protective gear and is holder of a valid racing license.
- **Unofficial Private Test Thursday**

On Thursday 24 March, two unofficial private test sessions take place of 3 hours each. One session is included in the medium package and both sessions in the complete package.

It is allowed to start in the Unofficial test sessions with an instructor as a passenger, given he/she is wearing fully homologated protective gear and is holder of a valid racing license.
- **Administrative check**

All drivers which join the 24hseries for the first time in 2022 needs to submit their details via an online link: [The entry details can be submitted here](#)
- **Briefings Team Manager & Drivers**

Team Managers briefing – Friday 25 March at 11.00 – Creventic Endurance Lounge  
Drivers briefing – Friday 25 March at 12.30 – Creventic Endurance Lounge
- **Refuelling**

The refuelling area is located at the beginning of the pit lane. The refuelling pumps are on the RIGHT-hand-side of the cars.
- **Media**

Media accreditations can be made here: <https://www.24hseries.com/accreditation>
- **Support Series**

We are happy to announce that the following support series will join our event in Mugello:

  - FX1 Series & FX2 Series
  - ATCC
  - FX Pro Series
  - Thunder Euro Series

#### COVID-19 / ACCREDITATION

Please make sure to always check the latest travel regulations on the official website: [https://infocovid.viaggiasesicuri.it/index\\_en.html](https://infocovid.viaggiasesicuri.it/index_en.html)

- **COVID-19 Protocol** TBA
- **Maximum number of crew members** Maximum number of persons allowed per entry are 22 persons including the drivers
- **Accreditation crew members** In the team information email from 16-3-2022 you have received a digital access pass. With the digital access pass you can enter the circuit for the first time. In order to have access all other days, each person must make their accreditation at the Creventic welcome centre where they will receive a bracelet for access all other days. **Please note that the Green Pass will be checked every time when entering the circuit.**
- **Access requirements circuit** To have access to the Mugello circuit, the following rules are applicable:

##### Younger than 50 years – Basic Green Pass

This means you must comply with one of the options below:

- **Fully vaccinated:**
  - Initial vaccination cycle completed maximum 6 months ago
  - Initial vaccination cycle completed + booster shot
- Recovery certificate not older than 6 months
- Negative Antigen test (max. 48 hours old) or PCR test (max. 72 hours)

##### Older than 50 years – Super Green Pass

This means you must comply with one of the options below:

- **Fully vaccinated:**
  - Initial vaccination cycle completed maximum 6 months ago
  - Initial vaccination cycle completed + booster shot
  - Initial vaccination cycle completed more than 6 months ago + Antigen test (max. 48 hours old) or PCR test (max. 72 hours old)
- **Recovered:**
  - Recovery certificate maximum 6 months old
  - Recovered more than 6 months ago + Antigen test (max 48 hours old) or PCR test (max. 72 hours old)

**Please note:** in case of a Covid test result, the test result must be valid on all days. So if you have an Antigen test, you must have a new negative test result after the 48 hours.

- **During your stay in Italy** For different kind of facilities like hotels and restaurants you need the Super Green Pass in Italy
- **Face mask** Face masks are mandatory inside and must be a medical face mask
- **Covid-test possibilities** On the circuit there will not be a possibility for a Covid test, however below you can find 2 options which are nearby the circuit. **If you require a Covid-test, please make sure to make your appointments in time.**

- BOP Class 991 & 992** Applicable for 991 and 992 class: the BOP difference to balance the PRO & AM teams will be done by fuel flow. The fuel flow of PRO teams will be automatically adjusted by the fuel pump. The PRO-BOP will be 80%. Please note that the BOP in the official BOP-Publication is valid.
- Exhaust GT3 & Porsche 991 & 992** The following technical regulations are in force with immediate application (see Series Bulletin 01 for detailed regulations):
  - Class GT3** – Katalysator and silencer are mandatory
  - Class 991 & 992** – Exhaust with silencer mandatory
- Window net compulsory** From Dubai onwards a window net is compulsory. The arm restraint is no longer allowed.
- Checklist Scrutineering** [www.24hseries.com/gfx/General\\_Downloads/season\\_information/Checklist\\_for\\_Teams\\_BEFORE\\_coming\\_to\\_scrutineering\\_version\\_03-03-2022.pdf](http://www.24hseries.com/gfx/General_Downloads/season_information/Checklist_for_Teams_BEFORE_coming_to_scrutineering_version_03-03-2022.pdf)
- Scrutineering time slot per car** TBA

## HELMET, FHR-SYSTEM & CLOTHING REQUIREMENTS

The Helmet, FHR-System & Clothing requirements for 24H SERIES 2022 [can be found here](#).

If you are running a car in the GT3 class, please pay extra attention to the FIA Regulations below:

- GT3 Only: Helmet FIA Standard** Drivers with a GT3 car must have a helmet with FIA standard 8860-2018 or 8860-2018-ABP. Please note that other Helmet FIA Standards are NOT accepted for GT3 drivers.
- GT3 only: Driver Clothing** For all GT3 drivers clothing: the new FIA 8856-2018 standard is mandatory per 1.1.2022 (FIA Technical list no 74). Clothing with standard 8856-2000 is **no longer valid after 31.12.2021**

## PIT BOX & PADDOCK INFORMATION

- Pit box & Paddock allocation** TBA
- Access to pit box** On the following days/times, teams will have access to the pit box and paddock:
  - Tuesday 22 March 18:00 – 21:00 (Track Day Teams only)
  - Wednesday 23 March 17:00 – 20:00 (Regular access)

Pit box keys can be collected at the helmet at the main entrance. Deposit: € 100,-
- Pit box preference** If you have a preference for your pit box (sharing with another team or an exclusive box), please let us know latest **11<sup>th</sup> of March**. We will do our best to meet your preferences. The standard pit box for all teams is 2-shared. Pit box measurements: 12 x 6 meter  
Exclusive pit box is subject to availability.
- Hospitality / trucks** If you bring a hospitality or more than 1 truck, please make sure to send Creventic the measurements and information **Latest 4 March 2022**.
- Trucks before the event** Trucks which arrive before the access times can park on the Casanova Savelli parking area (from the main gate, on the right side up the hill)
- Trucks after the event** After the event, trucks can be parked at the Casanova Savelli parking area or the P in front of the medical. Please note that the latest exit time is Monday 28 March by 09.00

## COMPULSORY ADVERTISING & BRANDING OBLIGATIONS

- **Compulsory Advertising** [www.24hseries.com/gfx/Races/12h-mugello-2022/RaceDownloads/compulsory\\_advertising\\_12h\\_mugello\\_2022.pdf](http://www.24hseries.com/gfx/Races/12h-mugello-2022/RaceDownloads/compulsory_advertising_12h_mugello_2022.pdf)
- **Driver badges**

The Hankook and 24H SERIES badges are mandatory and need to be placed in the chest area. No tyre brand except Hankook may be visible on the driver overall. All badges will be available on-site or can be downloaded as vector (see zip file under "official documents"):

[www.24hseries.com/team-info/general-info/download-logos-and-driver-badges/badges](http://www.24hseries.com/team-info/general-info/download-logos-and-driver-badges/badges)
- **Personalised team beach flags**

Each team will receive at the first race they participate, two personalised beach flags representing their team, nationality, car and class. The team itself is responsible to take the beach flags with them at each event they in the 24H SERIES.

One beach flag must be fixed to the fence in the pit lane and the other one must be placed on the paddock next to the truck. If a team's beach flag is broken or lost, the team must request a new beach flag at Creventic at additional costs of 100 EURO per flag.
