24 December 2020

Dear Teams,

We are very happy that due to the latest Abu Dhabi announcements, we can confirm that the Hankook 6H ABU DHABI will go ahead as planned.

All drivers and teams that are taking part in the Hankook 24H DUBAI can be part of the Hankook 6H ABU DHABI without quarantine. (because they are already long enough in Dubai, as Abu Dhabi authorities have relaxed the quarantine period from 14 to 10 days only)

Note: for Dubai, there is No quarantine at all.

Abu Dhabi has decided to ease their quarantine regulations as per 24 December 2020, making it feasible to travel to Abu Dhabi again much easier.

The current regulations can be found at: <https://visitabudhabi.ae/en/plan-your-trip/covid-safe-travel>

## What does this mean for the Hankook 6H ABU DHABI (22-23 January 2021)
