10. Regulations

10.1 The following regulations apply:

1. Present FIA International Sporting Code and Appendices
2. Sporting & Technical Regulations 24H SERIES powered by Hankook 2018 version 28 September 2017 with KNAF permit nr. 0314.17.266
3. Decisions and provisions published by the KNAF
4. Decisions and provisions published by the FPAK
5. Decisions, provisions and bulletins, published by the Stewards and/or Race Director
6. Balance of Performance Publication, published by the Promoter
7. These Supplementary Regulations
8. Conditions set up by Autódromo Internacional do Algarve (AIA) and the Authorities in Portugal

Note:

Unless otherwise specified in these Supplementary Regulations, when is referred to art.xx it refers to the Sporting & technical Regulations of 24H SERIES powered by Hankook 2018 for all divisions.

10.2 Radio Communication

To use communication equipment during events, teams need to apply for temporary use of radio equipment. This application needs to be made by the team itself and as soon as possible. Please apply to:

For radio communication permit contact:
Portuguese Agency for frequencies:
ICP-ANCOM Autoridade Nacional de Comunicações
Ava José Malhoa, No 12
1099-017 Lisboa
Tel. (+351) 21 721 1000 – Fax (+351) 21 721 1006
e-mail: paulo.freire@anacom.pt or vitor.guerreiro@anacom.pt

10.3 Clean Pit Boxes and paddock

Teams have to leave the pit boxes and paddock clean, in the same state as when they entered the property. Please understand that any cost of cleaning circuit-properties, provoked by the competitor, driver or any team member will be accounted to the competitor.

10.4 Intervention break rules

NOT Applicable.

The intervention break rules (Chapter I, art. 38 Sporting & Technical Regulations) are NOT applicable for this event.

10.5 Class Overview and applicable BOP

According to the Sporting & Technical Regulations of the 24H SERIES powered by Hankook, a separate BOP-publication is published per event (see www.24hseries.com/series/team-info) including the applicable BOP figures of the specific race.

This publication also replaces the class overview (Appendix 18) of the Sporting & Technical Regulations.

10.6 24H ONLY Other specific regulations for this event

10.6.1 Class A6:

Class A6 DIVIDED:

According the Sporting & Technical Regulations, class A6 will be divided into classes:

- A6-PRO
- A6-AM

For the class A6 BOP- table, see the applicable BOP-publication.

10.6.2 Class 991:

Class 991 COMBINED:

According the Sporting & Technical Regulations, class 991-AM and 991-PRO will combined to (one) class 991. However, according the regulations, for class 991 teams, the 991-PRO-BOP and 991-AM-BOP is still applicable. For the class 991 BOP- table, see the applicable BOP-publication.

10.7 3x3H ONLY

Other specific regulations for this event

10.7.1 Class A6:

Class A6 COMBINED:

Accordinging the Sporting & Technical Regulations, class A6 will NOT be divided into separate classes.

However, according the regulations, for class A6 teams, the A6-PRO-BOP and A6-AM-BOP is still applicable. For the class A6 BOP- table, see the applicable BOP-publication.

10.7.2 Class 991:

Class 991 COMBINED:

Accordinging the Sporting & Technical Regulations, class 991 will NOT be divided into separate classes.

However, according the regulations, for class 991 teams, the 991-PRO-BOP and 991-AM-BOP is still applicable. For the class 991 BOP- table, see the applicable BOP-publication.

11. Track and conditions of practice/race

11.1 Maximum number of cars allowed to start

Race Name	During Race	During Practices
Hankook 24H PORTIMAO	91	91
Hankook 3x3H PORTIMAO	53	53

11.2 Access to track

For all practices, qualifying and races: Track access is through the pit lane

11.3 Lights

The lights on the car must be switched on when the sign and/or message "LIGHTS ON" is shown.

12. Entry: Closing Date and Acceptance

This event is open for drivers according to: see Sporting & Technical Regulations of the specific series.

As specified on the entry form the entry closes 1 June 2018.

Acceptance of the entry will be send no later than 29 June 2018. Under particular circumstances the forwarding of the acceptance may be postponed.

The fee required (see entry form and/or confirmation of participating) has to be paid before the event (an entry not accompanied by the fee shall be null and void).

13. Collection of Documents/Administrative Control

See official time schedule

The competitor and the driver, or their officially nominated representative must be present at the place and time indicated for the administrative/license-control and scrutineering.

At the license control the competitor will receive the scrutineering forms (control card).

The driver/competitor must sign the 'responsibility clause' (according to the General regulations concerning racing contests).

The team manager of each team must be recognizable with a name badge (This will be provided by the organizer).

After the team has completed the control card, they will receive a so called "FINAL APPROVED" sticker of the specific race.

Only this final sticker (as provided by the Secretary of the Event) indicates that the car/competitor is allowed to participate. Without this "FINAL APPROVED" sticker, the car may not participate in any practices, qualifying and the race.

14. Time schedule

See official time schedule

Practices, Qualifying and Night Practice

See art. 30 of the Sporting & Technical Regulations

15. Start

15.1 24H ONLY

Modified Start regulations

According Chapter I, art. 32 and 33 of the Sporting & Technical Regulations

With following amendments to art. 32 and 33, to have 2 starting groups (TCE and GT):

32. Starting Grid

Article	Where is mentioned	Must be changed to
Chapter I Art. 32.1	After the qualifying a list approved and signed by the Stewards with the fastest time per car will be published. This best qualifying lap time in the qualifying will determine the grid position.	There will be two separate starting groups. Group 1: Division 24H GT SERIES (in front) Group 2: Division 24H TCE SERIES After the qualifying a list approved and signed by the Stewards with the fastest time per car will be published. The best qualifying lap time in the qualifying will determine the grid position.

33. Start

Article	Where is mentioned	Must be changed to
Chapter I Art. 33.1	Starting Mode: Rolling start	Starting Mode: Rolling start Rolling start: in two separate groups
Chapter I Art. 33.2.2	When the one-minute board is shown, engines must be started. When the green flag is shown, the cars will begin the formation laps behind the official leading car and cover two laps over the complete circuit. The starting order must be maintained. The official leading car may not be overtaken before the signal to start is given.	When the one-minute board is shown, engines must be started. When the green flag is shown, the cars in the corresponding start group will begin the formation laps behind the official leading cars of each group and cover two laps over the complete circuit. The starting order must be maintained until the start. The official leading cars may not be overtaken before the signal to start is given.
Chapter I Art. 33.4.2	The first lap behind the Official Leading Car it is allowed to warm up the tyres. During the second lap behind the Official leading Car, after the sign "GRID" has been shown, it is forbidden to make zigzag manoeuvres and the distance with the car in front of you must be no longer than 3 car lengths. This is meant to format a smooth 2x2 formation.	The first lap behind the official leading car it is allowed to warm up the tyres. Any car that is passed by the complete field of the corresponding starting group shall remain at the end of the corresponding starting group and start from the last position. If more than one car is thus affected, they must line up at the end of the corresponding starting group in the order in which they have left the starting grid. Any car that is NOT passed by the complete field of the corresponding starting group may take up again its assigned position of its corresponding starting group up to the sign "GRID" has been shown. Any car, from the first group, that is passed by the second official leading car must enter the pitlane and start from the pitlane. During the second lap behind the official leading car, after the sign "GRID" has been shown, it is forbidden to make zigzag manoeuvres and the distance with the car in front of you must be no longer than 3 car lengths. This is meant to format a smooth 2x2 formation. Except when some start grid positions are NOT occupied (the open positions, must be kept open)

15.2 Start grid procedure

Will be explained in the team manager's briefing.

15.3 Starting procedure

Will be explained in the driver's briefing and the team managers briefing.

15.4 24H ONLY

Extra briefing starting procedure of the drivers of the 2 starting groups.

Additional there will be an extra briefing, regarding the starting procedure of the 2 starting groups.

This extra briefing is obligatory for the team managers and the drivers who will do the start

For this reason, the team managers must inform the secretary of the event (in writing) the driver who will do the start, latest at the team managers briefing.

15.5 Start method

Starting type: Rolling start (group 1 and group 2)

Starting Grid: In a 2x2 Formation

Pole Position: Right side (Autodromo Algarve)

According to Chapter I, art. 33.4 of the Sporting & Technical Regulations

16. Cooling down lap (after the Finish flag)

See Chapter I, art. 36 of the Sporting & Technical Regulations

17. Protests

See Chapter I, art. 42 of the Sporting & Technical Regulations

18. Pit regulations

See Chapter I, art. 21 and 27.11 of the Sporting & Technical Regulations

19. Driver's briefing & Team managers briefing

For date, time and location: see official time schedule

20. Scrutineering

20.1 General Scrutineering information

According to Chapter I, art. 15 of the Sporting & Technical Regulations:

If the car has been considered as according to the regulations on the points checked, the car will be signed off (TC-approved) on the team's control card and receive a "TC-APPROVED" sticker.

See also art. 13 of these supplementary regulations regarding the required "FINAL APPROVED" sticker.

Static noise tests may be carried out at pre-event scrutineering or at any other time during the event to check compliance with the Technical regulations.

20.2 Overview of required items at scrutineering

The following table replaces the overview in Chapter I, art. 15.3 of the Sporting & Technical regulations for this event

The roll cage certificate	Yes		Valid roll cage certificate (if applicable)
The FIA-safety tank certificate	Yes		FIA-safety tank certificate
Homologation papers	Yes		Homologation papers (if applicable)

21. Fuel and Refuelling

See Chapter I, art. 21.3 of the Sporting & Technical Regulations.

The opening times of the pumps will be published on the official time schedule.

There will be 6 Petrol pumps and 1 Diesel pump(s).

All instructions of fuel station personnel, pit- and or fire marshals have to be followed strictly.

22. Tickets/Passes/Paddock

Every person (drivers, team members, officials, press etc.) who enters the pit area must at all times wear his ticket/pass visible, in a way that the controlling officials can at any time without problem see whether this person has the right ticket/pass. If a person is not wearing his ticket/pass visible, he may not enter the pit area.

Paddock space (behind the pit box) per entry (included in the entry fee) is 4x6m.

23. Timekeeping

23.1 Transponder

Every car must be equipped with a ID-transponder.

See art. 5.2 Chapter II of the Sporting & Technical regulations.

Fraud or obstruction of the rules mentioned in this article will be sanctioned by the Race Director.

24. Flag signals

See art. 28 Chapter I of the Sporting & Technical regulations.

25. Noise regulations

See art. 2 of Chapter II of the Sporting & Technical regulations.

26. Tyres

See art. 22 of Chapter I of the Sporting & Technical Regulations.

27. Insurance

Autódromo Internacional do Algarve (AIA) has concluded a third party public liability insurance, for all competitors, their personnel and drivers.

Drivers taking part in the Event are not third parties with respect to one another

28. Supplementary Regulations

Any changes to these regulations will be published on the official notice board

29. Appendices
