Championship Clarification – Driver driving on 2 cars

Art. 39.16.4 of the Sporting Regulations states:

39.16.4 Driver, driving on 2 cars

In case a driver is driving on 2 cars, the car which is notified at administrative checks to the organiser until 30 minutes before the start of the free practice will be taken into consideration for the classification (points) of the driver. If no car is notified, the car with the lower start number will be taken into consideration for the allocation of points.

A change of the notified car may be made after above set time only with the approval of the Race Director.

Interpretation:

This article applies to drivers that are driving on two cars within the same division (GT or TCE). A driver that drives on both a GT and a TCE car, so in different championship rankings, may receive points on both cars entered.
