

## How to fill in the BOP weight category in Sympa This is only applicable for the classes SP3, SP2 & SPX

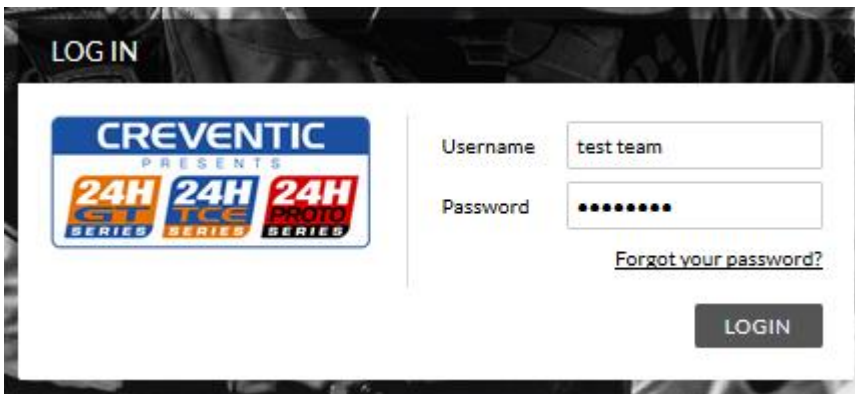

For the SP BOP regulations (Dynamic BOP), see Sporting & Technical regulations chapter 7:  
<https://www.24hseries.com/series/team-info:Sporting-and-technical-regulations>

In our online platform Sympa you can fill in your BOP weight category you would like to choose in your entry form. The following easy steps show you how you can choose your BOP weight category.

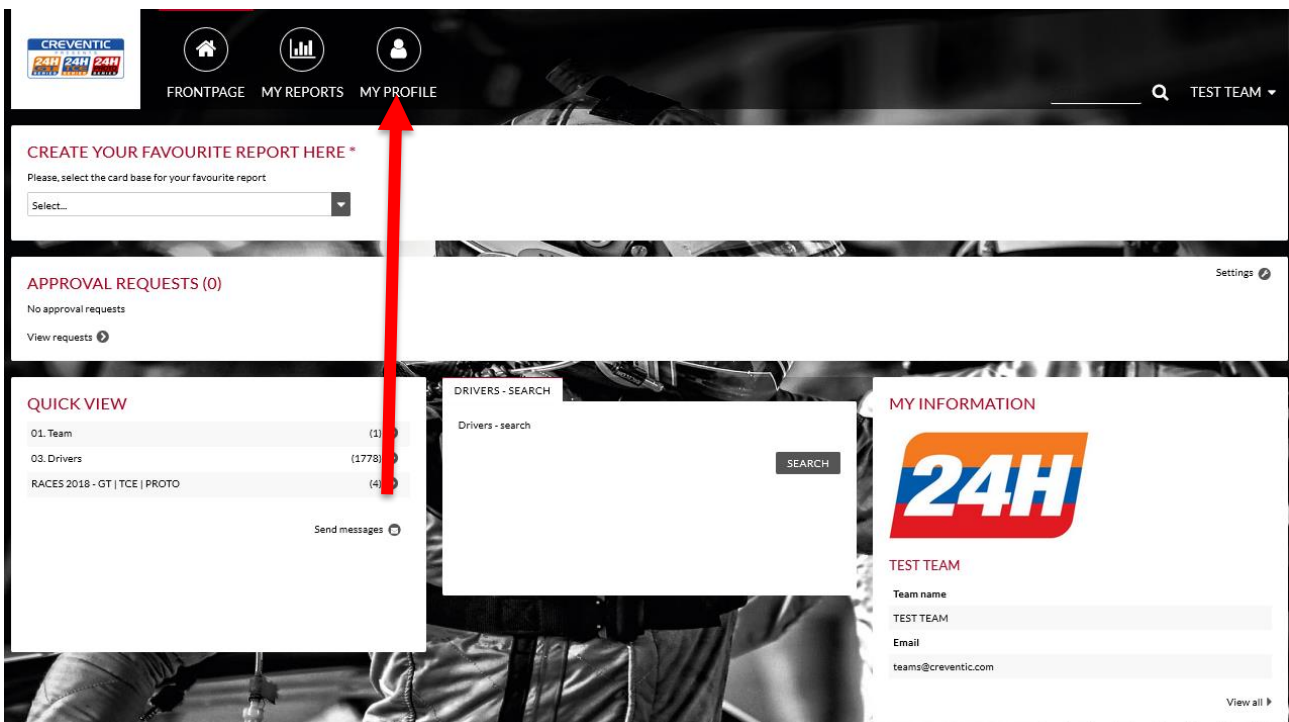

Please do not hesitate to contact us if you have any questions/difficulties regarding Sympa.  
+31 485 471 116

### STEP 1: LOG IN

Go to [www.sympahr.net/24hseries](http://www.sympahr.net/24hseries), using your team username and password you received after making a pre-registration. In case you don't have your personal sign in details, please send an email to [teams@creventic.com](mailto:teams@creventic.com)

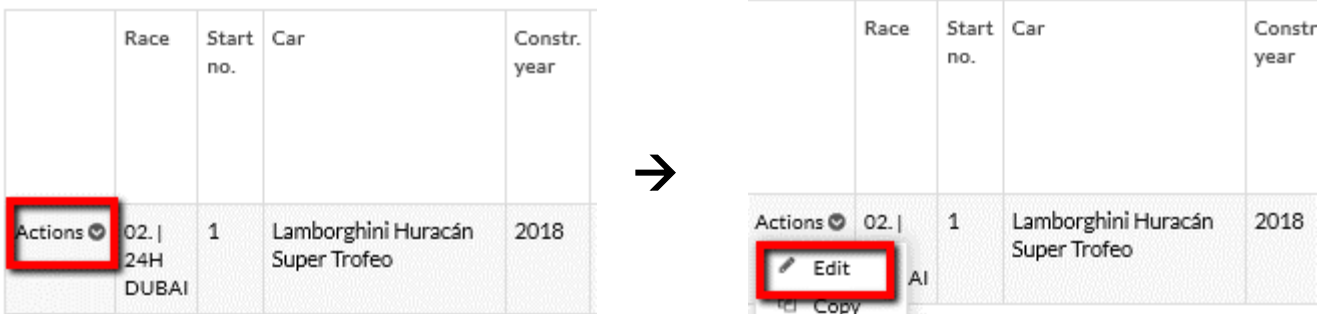

### STEP 2: CLICK IN THE TOP BAR ON "MY PROFILE"

### STEP 3: OPEN YOUR ENTRY OF THE RACE WHERE YOU WANT TO FILL IN THE SP-BOP WEIGHT

The tab "1. ENTRY FORM" is automatically opened in your team page. Scroll down to see your entry form. Open your entry for the specific race, by selecting "Actions → Edit"

Now your entry will pop-up, where you can see your entry form.

### STEP 4: FILL IN THE COLUMNS "WEIGHT CAR (KG)" AND "BOP WEIGHT CATEGORY (ONLY APPLICABLE FOR SP CLASSES)"

The BOP Weight category per class can be found in the BOP-Publication per race. This document is send to your by email and/or can be found here: <https://www.24hseries.com/series/team-info:Supplementary-regulations>

1. Fill in the weight of the car as shown on the image below on the left.
2. Make your BOP weight category selection in the dropdown menu as shown on the image below on the left

On the right image you see an example of table in the BOP publication.

2018

Race: 02 | 24H DUBAI
